Title of the government entities :

**Legislative Yuan**

## 2. Where can it be found

- Legislative Yuan Open Data Service Platform at <https://data.ly.gov.tw/>

## 3. How to apply/obtain

- Direct download via the links on the website. No application required.

## 4. Case of using

The Citizen Congress Watch (CCW) utilizes open data of the organ to not only create personal info pages for legislators but also disclose the information of the legislators including attendance rate, interpellation rate, quantity of proposals to serve as references for indexes of evaluation to legislators (Citizen Congress Watch website: <https://ccw.org.tw/>). The overview comes as follows:

- Name of Dataset: Information of Incumbent Members
- Use by CCW: to establish list and information of full members in this session.
- Name of Dataset: Committees-List and Information of Members
- Use by CCW: to create lists of members and conveners for each committee.
- Name of Dataset: List of Speaks in Sitzings
- Use by CCW: for statistics of number of speaks by members in sittings each session.
